ON-DEMAND DEMENTIA TRAINING LIBRARY

Members save over \$100!

Care Providers of Minnesota's new and improved Dementia Training Library offers modules to fulfill the dementia training requirements in Minn. Stat. 144G.64, and the new platform tracks employees' participation in assigned courses and provides certificates of completion for each module. Care Providers of Minnesota collaborated with Pathway Health, a national consulting and education organization, to develop this on-demand training on dementia, with training modules for direct care staff/supervisors of direct care staff and non-direct care staff.

LICENSED ASSISTED LIVING DIRECTOR PROGRAM

Members save 25%

Care Providers of Minnesota has collaborated with Relias to develop a comprehensive licensed assisted living director (LALD) education program. This program has been approved by the Minnesota Board of Executives for Long-Term Services and Supports (BELTSS) and meets the education requirements of Minnesota Rule Chapter 6400. Completion of the LALD program is one step toward earning an assisted living director license.
